Taking place from 3rd to 11th August 2024, the biennial Singapore Garden Festival (SGF) brings together top award-winning landscape and garden designers, florists and horticulturalists from around the world. Singapore's strategic location makes the Festival an ideal platform to showcase horticultural products and services from various regions. The unique convergence of GBGC and SGF provides an unrivalled opportunity to learn, network and forge connections with like-minded individuals, across the horticultural and research arenas, to share the latest ideas in garden design & gardening paraphernalia.
